

I am an American and I hope the **TEA Parties** will begin the real “Change” we need.  
 I am a **Master Mason**, a **Knights Templar**, a **Shriner**, and **I believe in God**.  
 I believe the money I earn belongs to my family, not some government functionary.  
 I believe owning a gun doesn't make you a killer; it makes you a real American.  
 I believe being a minority does not entitle you to anything except being born free.  
 I believe the police have the right to pull you over if you're breaking the law.  
 I've never owned a slave, or was a slave, nor did any of my ancestors own a slave.  
 If you are selling me a Big Mac, you should speak English.  
 If “press, “1” for English, then “press, “2” to learn English!  
 If you were born here and don't like it you should move to any country that will have you.  
 If you don't like the way things are here, go back to where you came from and change it.  
 Everyone has a right to pray to his or her God no matter what you may call him.  
 My heroes are John Wayne, Bob Feller, Roy Rogers, and Charlton Heston.  
 I don't hate the rich and I don't pity the poor.  
 I know wrestling is acting and I don't waste my time watching or arguing about it.  
 This is the **United States of America** ...I liked it the way it was in the 50's!  
 I like having my face shown on my driver's license. It should be on every credit card.  
 I'm proud that 'in God we trust' is printed on USA money.  
 We **NEED GOD BACK IN OUR COUNTRY!**  
 We **NEED THE TEN COMMANDMENTS** prominently shown in every public building.  
 We **NEED TO END WELFARE**, as we know it today!  
 We **NEED TO SECURE OUR BOARDERS** and expel all that are in our country illegally!  
 We **NEED TO OVERHAUL OUR PRISON SYSTEM** incarcerate first time offenders separately from hardened criminals; establish a death sentence for all three time violent offenders,  
 We **NEED TO LEGALIZE THE SALE OF DRUGS** and control them.  
 We **NEED TO LEGALIZE GAMBLING** or put a stop to state lotteries.  
 IF **ABORTION IS LEGAL**, then execution for convicted first-degree murder and three time violent criminals should be allowed **WITH ONLY ONE APEAL** (the fetus doesn't get any).

**WE NEED TO REMEMBER we live in the land of the free,  
 ONLY BECAUSE OF THE BRAVE.**
